WELCOME TO THE 2009 POOL SEASON PLEASE NOTE: MARCH 15TH DEADLINE
Sorry... There will be no telephone reminders

Dear Club Member: March 2010

Since you have been **INACTIVE** for all or most of the last few years, we assume that you may want to remain inactive for the 2010 swimming season. However, before deciding, please read the enclosed material about the various activities offered at the pool this season and the pool hours.

IF YOU DECIDE TO BECOME AN ACTIVE MEMBER in 2010, please refer to the enclosed Permanent Membership letter. To become active, you will have to fill out the appropriate parts of the reply form and send us a check by the deadline. Remember that inactive members **WILL NOT BE ABLE TO USE THE POOL IN 2010**. The exception being that all members are invited to come to the potlucks, held every other Sunday, please see the General Information portion of the mailer for details.

ACTIVE/INACTIVE MEMBERSHIP:

Regardless of their status in 2009, all members must notify the Board by March 31st of their intent to be Active or Inactive Members for the 2010 pool season. Please use the enclosed reply form. Failure to meet the notification deadline will be taken by the Board as a declaration of intent to be an **INACTIVE** member. There is no fee for being an inactive member.

If you wish to leave the Swimming Club and redeem your permanent membership fee, please contact Claire Kelly, (301) 320-4855, c_l_kelly@yahoo.com, Membership Chair.

If you decide to be inactive for the 2010 season, please return the signed Permanent Member reply form to the **BANNOCKBURN SWIMMING CLUB, PO Box 376, Glen Echo, MD 20812**, by March 31st, with the **INACTIVE** option checked off. Please note that there was recently a bond increase of \$650 approved by the membership. When inactive members switch to active, they will be required to pay the additional \$650.

We look forward to your response and appreciate your Permanent Membership in the club.
